SHARING MONEY

Sharing money means giving some of what you have to help others,
support a cause, or make a difference in your community.

Story:

Jennifer received \$10 for her birthday. She decided to:

Put \$4 in her savings account, spend \$3 on a fidget toy, donate \$3 to an animal shelter.

Jennifer felt happy because she was able to save, spend, and help others.

Make a choice: If you had \$10, how would you use it?

Save: \$ _____

Spend: \$ _____

Share: \$ _____

Match the donation:

Canned food

Helps animals

Adopting pet

Helps families who need food

School supplies

Helps students learn

Think about it:

Why do you think people donate money?

How does helping others make you feel?

What is one way you can help others
